If you know how to get to Nationals Park, you know how to get to Audi Field. Help us be a good neighbor by following these Game Day tips:

1. You can get to Audi Field from both the Navy Yard-Ballpark and Waterfront Metro Stations. Signs will be available to direct you.
2. Navy Yard Station has more capacity, more sidewalk space, and plenty of restaurants along the walk to the stadium. If you choose to use Waterfront Station, be mindful of noise when walking near the residential neighborhoods.
3. Navy Yard Station is one stop on the Green Line from the Anacostia Metrorail Station. Parking is available at the Anacostia Metrorail Station.
4. If you are walking from a parking garage/lot in the area, you should use the recommended routes for transit riders.
